

**NOTES**

All non-moving units should be hung with gel frames.

All non-moving units should have spare cuts of R119, R116, and R104.

Any non-moving unit DS of proscenium line should have a spare top hat and eyelash.

Maintain 20 spare 6.25" cuts of Ro2, Ro8, R60, and R63.

Any and all questions can be answered by the designer at (720) 233-5560 or maxwell.john.stroehrer@gmail.com.

Check section to see if units are to be yoked out prior to hanging.
